

2010 THANKSGIVING INDOOR SOCCER TOURNAMENT

Dear Coach,

We are pleased to invite you and your team to participate in our annual Tri-City Thanksgiving Indoor Tournament. The tournament will be played Friday, Saturday and Sunday, November 26, 27 and 28.

If you cannot participate, please find another parent to coordinate the team on that weekend.

Very little "coaching" is required for the kids to have a lot of fun. Parents not trained to coach can run a team because each tournament location will already have AYSO trained personnel on site. The "coach" for the team will be expected to (1) communicate with tournament staff, (2) supervise the players when they are at the gym; (3) substitute players to even out playing time, (4) cheer for the team, and (5) have fun. That's all. It's a nice opportunity for involvement by a parent that is too busy to participate during the regular season. Don't let your players miss the fun just because a trained coach is not available.

Registration forms and checks are due by the end of day Sunday, **November 7th for U8 and U10** and Sunday, **November 14th for U12 and U14**. The registration fee is \$15 per player. A minimum of five players is needed to register. Please mail or deliver this completed form and your **SINGLE CHECK** payable to **AYSO INDOOR SOCCER** for the entry fee (\$15 per player) to the tournament director in your region at the address on the form. If you mail your registration form and check, please allow enough time for delivery.

U14, U12, and U10 age groups will be competitive with playoffs (and trophies awarded to age group winners) on Sunday. U8 will be played on a non-competitive basis. All divisions will have boys and girls teams. All players will receive a commemorative pin.

Games will be played at:

U12 & U14

Red Morton Center
Redwood City

U10

Ralston Middle School
Belmont

U8

Central Middle School
San Carlos

Additional players may be added after the team registration has been submitted but must be done prior to your first game. **All players must be from your regular Fall AYSO team.** The **only exception** to this rule is that **U8** teams with fewer than six participating players may add players from other AYSO U8 teams. The \$15 fee for each additional player must be paid before the team's first game. Please bring your AYSO registration forms with you at all times during the tournament, as they are required for emergency treatment and proof of insurance.

Please deliver your completed form and check to the tournament director in your region:

San Carlos	Kim Lawrence	U8	339-1730	klawrence@iftf.org
Belmont	Craig Jones	U10	218-2916	craig.jones@juno.com
Redwood City	Don Wetteland	U12 & U14	288-9455	dwettelandp199@vzw.blackberry.net

Registration Questions? Please ask the tournament director in your region.

Tournament Questions (rules, schedules)? Please ask the appropriate age group director.

Schedules and rules will be distributed at a **coaches meeting** November 18th at the Belmont Sports Complex:

U8	7:00pm

Attention: U10 Teams

A minimum of 5 players are required to register a team. U10 teams with fewer than 6 players may add up to two "guest" players from other Fall U10 teams in the same city to meet the minimum if all of your players have been invited and fewer than 6 will play.

All players must be currently registered on an AYSO U10 team in your region. **If you are adding players from another team, the Indoor Soccer Tournament Director will make all additions of players not on your roster.** If you know of players who want to play but their regular fall season team is not participating, please have them contact the Tournament Director in their region. Please list your team members' names in the 1-8, left-hand column and the added players in the 9-16, right-hand column. Also include the jersey color and team name of the added player next to the jersey #.

Please note that ALL players from YOUR team must be invited to play. This is required by tournament rules and violations may result in your team being disqualified. This special opportunity to add players from other teams may not be used to build a roster when fewer than all of your players have been invited.

If you add players from other teams you are required to obtain their white registration form from their current coach. As during the outdoor season, all white player registration forms must be in the coach's possession when players are practicing or playing games.

Attention: U8 Teams

A minimum of 6 players are required to register a team. U8 teams with fewer than 6 players may add players from other U8 teams to meet the minimum if all of your players have been invited and fewer than 6 will play.

All players must be currently registered on an AYSO U8 team in your region. If you are adding players from another team, please list your team members' names in the 1-8, left-hand column and the added players in the 9-16, right-hand column. Also include the jersey color and team name of the added player next to the jersey #.

Please note that ALL players from YOUR team must be invited to play. This is required by tournament rules and violations may result in your team being disqualified. This special opportunity to add players from other teams may not be used to build a roster when fewer than all of your players have been

invited.

If you add players from other teams you are required to obtain their white registration form from their current coach. As during the outdoor season, all white player registration forms must be in the coach's possession when players are practicing or playing games.
